## **Overage and Damages**

To support Overage and Damages, please include any additional customer documentation which notes the CPKC load number and Unit ID. Please fax in with the Driver wait form.

Note to CPKC Carriers: Please fill all fields for timely processing and Fax form to 1-866-517-8222.

Drivers should use this form to capture dwell at a shipper location or as a POD for a consignee location if the SmartDray app fails.
